

New School Build

Existing school

Built in corrugated tin sheet. Very noisy if windy.

Day school only. Many children live too far from school to attend.

Not secure. Almost no facilities.

No teachers' accommodation. Difficult to recruit and retain teachers.

Proposed new school

Brick construction

Secure, so can have computers and good teaching aids.

Day and boarding school. Ideal for children who live far from school.

Teachers' accommodation to attract the best teachers.

Kitchen & dining room. For many children, school lunch is their only meal of the day.
